Abstract

Aspiring developer with experience in web development and machine learning, passionate about solving real-world problems through collaboration, innovation, and impactful solutions.

Skills

- **Languages:** Python, JavaScript, HTML, CSS.
- **Frameworks/Technologies:** Bootstrap, Node.js, scikit-learn, TensorFlow.
- **Tools:** Git, VS Code, Matplotlib, Seaborn.

Experience

Data Science Internship, Prodigy InfoTech Sept 2024

- Analyzed datasets to extract meaningful insights and patterns.
- Conducted data preprocessing and visualization to enhance dataset quality.
- Designed predictive models for business use cases, improving decision-making processes.
- Tools used: Python, Pandas, NumPy, Matplotlib, etc.

Google AI-ML Virtual Internship, Approved by AICTE June 2024

- Explored foundational concepts of Artificial Intelligence and Machine Learning.
- Worked on practical projects to implement ML models for solving real-world problems.
- Gained hands-on experience in Python and various ML frameworks.
- Developed a ML model to classify objects using simple Computer vision techniques.

Education

Datta Meghe College of Engineering, B.E. in AI & DS (Current) Nov 2022 - May 2026

- CGPA: 7.71 (Avg. Upto Semester 4)

Achievements

3rd Prize – Tech Naari 2024

- Recognized for technical knowledge and problem-solving in a college-wide competition for women engineers.
- Competed across multiple technical rounds.

Projects

Medical Diagnosis Website (RAYS Medico) Rays-Medico

- Collaborated to develop a responsive web platform for affordable AI-driven health insights.
- Integrated Bootstrap for design and ML models for efficient illness detection.

Portfolio Website Portfolio-Website

- Designed a personal portfolio showcasing skills and projects.
- Used Bootstrap for an elegant, responsive layout, optimized for cross-device performance.

Soft Skills / Strengths

- Adaptable to new technologies.
- Creative problem-solver.
- Self-motivated learner.
- Strong team player.

Hobbies/Interests

- **Solving Rubik's Cubes:** 2X2, 3X3, 4X4, Pyraminx, Mirror cube, etc.
- **Playing Musical Instruments:** Keyboard & Guitar.
